

For the Specification:

The entirety of the specification of the present application is unchanged over that of the previous application with the following exceptions:

1. The **Title** has been changed from:

Stuffed Toy with Removable Play-Stimulation Item

to:

Stuffed Toy with Replaceable Play-Stimulation Item

2. Line numbering has been cancelled and paragraph numbering has been added.
3. The heading beginning on page 1, line 4, (RELATED INVENTION) contained a typographical error (not plural). This heading and the paragraph beginning on page 1, line 5, have been replaced by a corrected heading and paragraphs 0001, 0002, and 0003.
4. The paragraph beginning on page 4, line 1, in the SUMMARY OF THE INVENTION section has been replaced by paragraphs 0017 and 0018. This change was performed to more clearly summarize the present invention in light of the current claims. No new matter is introduced.
